

## IMPORTANT INFORMATION

The timetable lists departures from the starting station and major intermediate stations, as well as arrivals at the final station. Trains also stop at other intermediate stations.

A detailed timetable and other current information, including any delays and traffic disruptions, can be found on the Slovenian Railways website at [potniski.sz.si](http://potniski.sz.si) or in the "Grem z vlakom" mobile app.

GREMZVLAKOM

A bicycle supplement of €3 applies when travelling with a bicycle. The supplement is valid for the same route as the passenger ticket and must be paid directly to the train staff on board.

LET'S REDUCE TRAFFIC CONGESTION IN THE JULIAN ALPS. LET'S ENSURE PLEASANT EXPERIENCES FOR OURSELVES AND OTHERS. LET'S TRAVEL THOUGHTFULLY AND SUSTAINABLY.

## Alternative transportation and bike rentals

Due to high demand and limited capacity, crowding on trains during certain times is unfortunately unavoidable. You can therefore book a private bicycle transport (at least a day or two in advance) through one of the specialized agencies, or you can rent a bicycle at your destination.
